PRESIDENT'S PRIZE

2012 IANO PRESIDENT'S PRIZE

Supported by an unrestricted Educational Grant from Bayer Healthcare.

In 2012 the IANO will be awarding its 2nd President's Prize to one successful applicant following submission of a research project.

The prize will be a clinical placement in Memorial Sloan Kettering Cancer Centre in New York, USA for one week which will be funded by an educational grant from Bayer Healthcare.

Memorial Sloan Kettering is the world's oldest and largest private cancer centre (MSKCC) which has devoted more than a century to patient care as well as innovative research, making significant contributions to new and better therapies for the treatment of cancer.

This award will be an excellent opportunity for the successful candidate to work alongside a multi-disciplinary oncology team within their chosen speciality area, in a world renowned centre of excellence.

The judging panel will be independent of Bayer Healthcare.
