

IRISH ASSOCIATION FOR NURSES IN ONCOLOGY

THURSDAY 12TH MAY 2022
IANO DUBLIN BRANCH

Join us as we launch our IANO Dublin Chapter

The Irish Association for Nurses in Oncology (IANO) is a non-profit Organisation which promotes continuous Cancer nursing education and networking opportunities.

Throughout Ireland, IANO regional networks provide opportunities for members to avail of education and topical events to augment skills, foster closer IANO communities and share our nursing experiences and insights. We are delighted to convene an IANO Dublin branch to facilitate positive experiences to benefit of our IANO nursing membership across County Dublin/Leinster region. We welcome new members from across Dublin/Leinster to join this new IANO branch and we look forward to welcoming you at our exciting Dublin/Leinster network.
