

Treasurer's Report for IANO AGM 2023

The full financial accounts of the IANO are available, if anyone would like to review the accounts, they can contact me directly.

I wish to thank the Irish Cancer Society for their generous support they give to the IANO throughout the year. I wish to acknowledge their donation, which enables us to employ a Secretariat to undertake the day to day running of the organisation.

Special thanks to Ms. Louise Nolan, our Secretariat, who is invaluable in assisting us with carrying out the day to day running of the organisation. I would also like to thank my colleagues on the NEC for their on-going support.

In 2023 we were able to continue with our IANO podcast series, more planned for 2024.

NEC members attended EONS conference.

Membership:

Annual membership fee remains at €35.

Currently we have 260 members (up to end Sept 23).

Thank you to all our members who pay via standing order.

I would encourage all members to set up a direct debit to ensure continuity of communication.
